

My name is Charlie Bell, and I'm running for town council because I believe in the power of our community. When decisions are made, do you feel like your voice is truly heard? I want to ensure that it is.

Together, we can build a Payson that reflects our values and vision. A vote for me is a vote for a council that listens, represents, and acts on behalf of you—the people.

I am Charlie Bell, and I want to be your voice and your choice on the town council."

My name is Charlie Bell. I want to represent your traditions and values. Let's take our town back to the voice of the people and values that have brought us together.

My vision is to revitalize Payson, restore traditions, and invest in the community. Rumsey Park, the Event Center, and Green Valley Lake as the cultural centers of Payson, much like a 3-legged stool supporting the community. My focus areas include public safety, infrastructure, and tradition. I'm running for Town Council and need your vote.
